NEXT GENERATION PODSPEAKERS

PLAY MUSIC WIRELESSLY

Select and play from your music collection in perfect audio quality. Stream music from local content or any online music streaming service.

MINIPOD BT – STEREO PAIRING

One MiniPod Bluetooth speaker plays wonderfully. With two you get a blast! True wireless technology enables you to pair two MiniPod Bluetooth speakers for great stereo sound.

MINIPOD – THE ONE AND ONLY

The MiniPod ONE is easily placed anywhere in your home. Play your favorite music in the kitchen, living room or home office. As a sculpture, it will stand out wherever you place it.

HOOPS AND SPIKES

Some like the brushed steel or golden look, others like wood. With Spikes and Hoops you can now mix and match the look of your speakers to your personal taste.

COLOURS & KEVLAR

Matt Black, Matt Red and Satin White are the colours that shape the new Podspeakers. The upgraded kevlar driver in dark grey with concaved dust cap adds perfectly to the new generation.

PODSPEAKERS

BREAKING CONVENTION SINCE 1995

Since first launch from B&W back in the 1990's, Podspeakers have thrilled the eyes and ears of fans around the world. With it's rounded shapes, bold aesthetics and design tweaks the Podspeakers stand out as unique in the world of High Fidelity.

We are now proud to announce the NEXT GENERATION of Podspeakers. With sound improvement from A-Z, upgraded speaker driver, enhanced cabinet and style customization, they will shape your future sound.
